Notice Regarding Directory Information and Parent's Response Regarding Release of Student Information

Dear Parent or Guardian:

State law requires the district to give you the following information:

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Sabinal ISD to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing within ten school days of your child's first day of instruction for this school year.

This means that unless you object in writing, the district must give certain personal information (called "directory information") about your child to any person who requests it. In addition, you have the right to tell the district that it may, or may not, use certain personal information about your child for specific school-sponsored purposes. The district is providing you the following forms so that you can communicate your wishes about these issues. For more information, see **Objecting to the Release of Directory Information** in the Sabinal ISD's Student Handbook.

The Sabinal ISD has designated the following information as directory information:

Note: If this form is not returned within the time frame specified above, the district will assume that permission has been granted for the release of this information.

Parent Statement Prohibiting Corporal Punishment

A parent has the responsibility of submitting a signed statement to the principal each year if he or she chooses to prohibit the use of corporal punishment with his or her child. A parent may reinstate permission to use corporal punishment at any time during the school year by submitting a signed statement to the principal. Corporal punishment will be administered in accordance with the law, district policy, and the Student Code of Conduct (SCOC). See FO and the SCOC.

Corporal punishment will be administered as soon as possible after an offense and will not be administered in anger. The principal or a designee may choose not to use corporal punishment even if the parent has requested its use. Any use of corporal punishment will be documented on a district form. The principal or a designee will inform the parent when corporal punishment is used. Paddles used for administering corporal punishment will not be generally displayed and will be under the control of the principal or designee. Corporal punishment will be limited to spanking or paddling and will consist of an appropriate number of strikes based upon the size, age, and the physical, mental, and emotional condition of the student. Before corporal punishment is used, the district may give the student a choice between other disciplinary measures and corporal punishment.

Parent Statement Prohibiting Corporal Punishment:

I have read the information on the use of corporal punishment in Sabinal ISD, and I prohibit the use of corporal punishment with my child.

This form must be submitted annually and can be revoked by the parent at any time.

Student Identification (ID) Badge Policy Grades 7-12

Sabinal Secondary uses a school-wide Identification (ID) badge system for our students.

- The ID badge is a new safety measure for our students and staff. By wearing the ID badge, students and staff can quickly identify, at a glance, who is a student or employee and unidentified individuals might be a threat. We want to provide a safe and orderly environment to foster student learning, and the ID badges will assist in the security of everyone on campus.
- In addition, the ID's will help Sabinal High School students prepare for the world after high school, where real-world identification is often needed. Identification badges are required in government and military facilities, colleges and universities, and in most work-places to emphasize the importance of identification and security. We believe that school is an important place too.
- ID's provide the school with an efficient way to manage our computerized library and cafeteria systems thus improving services to students.
- Finally, besides enhancing school safety, badges can create a feeling of unity among students.

Policies and Procedures

1. Each student will be issued an I.D. card within the first three weeks of school.
2. Students must visibly carry their photo ID badge at all times while in any campus, school facility and outside of the school.
3. The ID's may not be changed or altered in **any way**.
4. The first ID and one (1) replacement are free. Since ID's are required, the cost of additional replacement ID's is \$5.00. ID's may be obtained at the Technology Office.
5. Students are to adhere to the following guidelines, procedures, and consequences:
 - Damaged or defaced ID cards will be confiscated and must be replaced at the student's expense.
 - Students are responsible for their I.D. cards. A student who has lost his/her identification card should apply for a replacement in the Main Office.
 - ID badges shall not be duplicated.
 - Any student with unauthorized possession of an I.D. card not belonging to him or her will be subject to disciplinary action.
 - Anyone without an ID badge may be stopped and questioned as to their purpose.
 - You may not check out a library book if you do not have your ID.
 - You will not have *any* pass privileges if you do not show your ID.
 - Students withdrawing from school must return the ID badge in order to complete the checkout process.
